LEE AND DAVID MATHEWS

The perfect venue for a personal wedding

We wanted a venue that would let us create our own atmosphere and exclusive hire at Kent House Knightsbridge enabled us to create the sophisticated and fun wedding that we’d dreamt of.

Private hire meant we could have different aspects to our day with a champagne reception, food and dancing all happening in different rooms. The team also helped us include fun touches such as a pop-up Gin & Tonic bar and late night espresso martinis which surprised everyone and helped keep their energy going for a fantastic party in the evening!

A unique venue with a great professional team

Holding our son’s wedding at Kent House Knightsbridge made what could have been a stressful experience into a sheer delight.

We received so many compliments from our guests mentioning how impressed they were with the celebration and we can’t remember another event we’ve been to with so much attention to detail. The level of professionalism was extraordinary. Kent House Knightsbridge is a unique and stunning venue and all our guests loved it.

The perfect winter wedding setting

I’m sure there aren’t many brides who can have contacted you so frequently in the run up, plagued you with such mind-numbing detail, or asked you so many ridiculous questions but to your eternal credit you remained endlessly helpful and obliging throughout. The day itself was just perfect. Kent House looked so beautiful with the lighting, candles, candelabras etc... it just all came together as I had hoped it would and was the perfect winter setting.
