## The Day Was Theirs. These Words Are Too.

### ‘The ideal venue for a personal wedding’

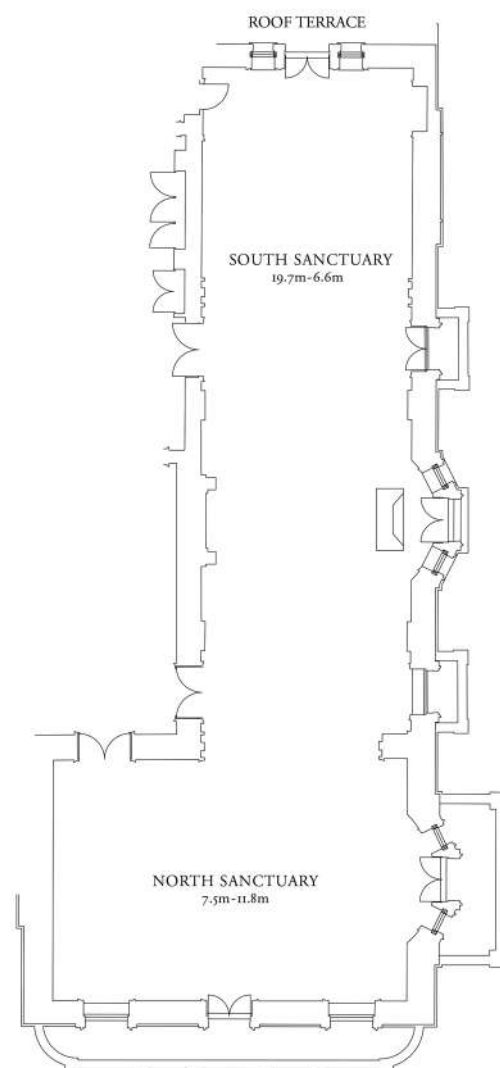

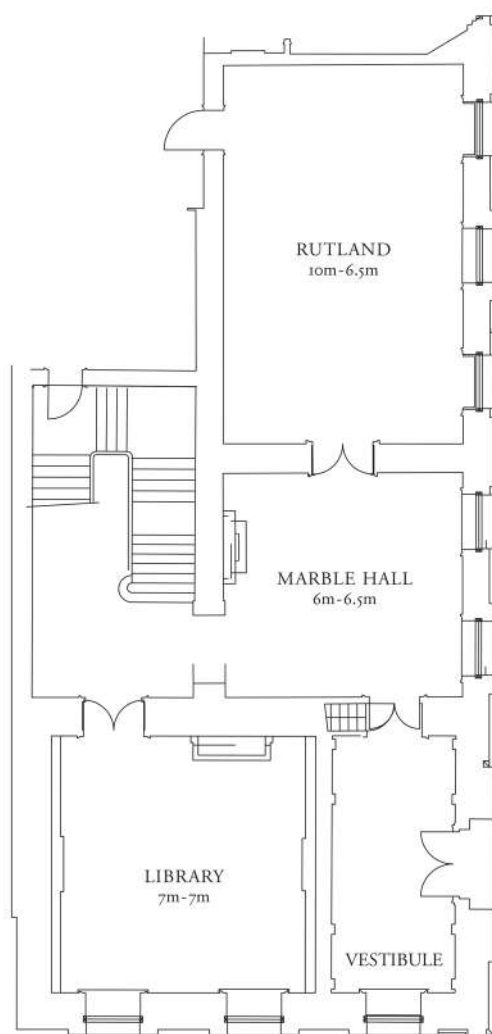

We wanted a venue that would allow us to create our own atmosphere, and exclusive hire at Kent House Knightsbridge gave us exactly that. It enabled us to design the sophisticated yet fun wedding we had always dreamed of. Having the whole house to ourselves meant we could create distinct moments throughout the day—a champagne reception, a beautiful wedding breakfast and dancing, each in its own space. The team also helped us add personal and playful touches, like a pop-up Gin & Tonic bar and late-night espresso martinis, which delighted our guests and kept the party energy going late into the evening.

### ‘A unique venue with an exceptional team’

Hosting our son's wedding at Kent House Knightsbridge turned what could have been a stressful experience into an absolute joy. The entire day ran seamlessly, and we received so many compliments from guests who were genuinely impressed by the occasion. The attention to detail was remarkable, and the team's professionalism stood out at every turn. Kent House Knightsbridge is truly a unique and elegant venue. Our guests were captivated by it.

### ‘The perfect winter wedding setting’

I'm probably not the only bride to bombard you with endless questions and emails, but your team's patience and support were unwavering. You remained kind, helpful and accommodating throughout. On the day itself, everything was perfect. The house looked magical with all the lighting, candles, and candelabras—exactly as I had envisioned. It was everything I hoped for and more: the ideal winter wedding backdrop.
